

CERTIFICATE

Electricity from renewable energy

J.H. Orsing AB

Thank you for choosing electricity from renewable sources. Nordic Green Energy takes responsibility and ensures that all delivered electricity is renewable and comes with a guarantee of origin.

You are making an important contribution to the environment by choosing renewable energy.

Björn Visell, Business Area Manager B2B & Public
Nordic Green Energy

Validity of the certificate: 2024-06-01-2027-05-31
